

Dear FCC,

I just wanted to let you know how important K-Love radio station is to me. In this day and age I am frequently discouraged that anything that is good and wholesome with good values and morals is continually being taken off the air. I have a 2 year old and a 4 year old and I am doing my best to teach them good morals and values. I feel that K-Love impacts my community as a very positive role model for the youth in this community. It gives them options that I feel we have the right to have. It is my right to be able to listen to good christian music with good values and morals. It would be a great tragedy to not be able to have the choice to listen to them. Things in this world do not seem to be getting better, they are only getting worse. K-Love needs to be on the air as alot of the music channels are not fit to listen to. Please, Please keep K-Love on the air. K-Love is my station of choice. If it were not on the air, I would probably not listen to the radio at all. Thank you and please keep K-Love on the air.

Thanks,

Anne M. Mottice.
